I

This 1983 civil suit come to this honorable court. This court has jurisdiction to review this complete.

II

All defendants are acting under color of State. All defendants have violated State law and constitutional rights.

Complaint

On 7-19-23, I Jimmy Whitlock, asked to be placed on a religious diet. Halal diet is a Muslim diet a Holy meal, that is being deny by this facility. This facility has denied my prayer oil, the ability to conduct ablution prior to commencing daily prayer in my cell which is in violation of my religious servies. My religious faith requices that I observe the Islamic festival of Eid-al-Fitr by eating meat of bwdn (cows, Oxen, or camel). In August 03 Warden Alanz, Mrs. Lujan, and Mrs Startfield stated that all meals will be corrected, but nothing has changed. Our religious faith has been striped from us. Our free execrise clause under art. 46 and the First Amendent have been clearly striped from us. They have altered deter our service to our God. To Futher this claim the correctional departments regulation that a prison or detention center must make an effect to address these issues immediatey. We are to have a knowledgeable adherent of the muslim faith which is Chancy Johnson. All muslim are to be house together. We ha exhausted all remedies and still are denied to have religious services or our Holy meal. We have been denied Jumuah and Tilim which is a Service required by our religious services.

This facility has been discriminating
against our religion due to our practices
and color.

Relief Sought

That this facility be reviewed by a federal entity that will address Religious services. Also that Summit Kitchen Staff take serious attention to our meals and prayers, Also that this facility award each plaintiff \$100,000.
